

THE FIFTH EDITION OF AN “ALL MBAISE SENIOR SECONDARY SCHOOLS MATHEMATICS COMPETITION”- AMSSSMC Series 2025 – 5TH Edition.

Amaraya Foundation, a non-profit and humanitarian organization in her desire to enhance human capacity building in our society by encouraging and rewarding academic excellence initiated this competition having observed the dwindling and lack of interest and dedication of most students to the study of Mathematics, a vital subject in scientific and technological advancement.

PREAMBLE:

- The 1st Edition of the AMSSSMC series was held in 2021.
- **Registration is 100% free for all participants.**
- Those who are eligible to participate in this **5th/ 2025 Edition** are only **SS2 students** from **WAEC** accredited and government approved secondary schools (Private and Public) in **Mbaise** and **is open to any Mbaise indigene in SS2 class in any other schools located outside Mbaise. Such student must be confirmed by the school principal. The organizer shall disqualify at any stage a participant whose identity does not conform as stated.**
- Enrollment of **SS3 students** shall be considered as **FRAUD** and such Schools/Candidates shall be disqualified and sanctioned from participating in future editions.
- Each school can enroll a maximum of **FIVE (5)** credible candidates.
- Only candidates **duly identified and endorsed** by the Principals/school authority in the Participant Information Form shall be accredited and allowed to participate in the competition.
- **NOTE:** Candidates shall be admitted and assessed on individual basis despite being the representatives of their institutions.
- **The Foundation may set up special tutorial centres (Mathematics Clinics) across Mbaise as a measure to prepare the students for the Competition and SSCE examination.**
- **The questions for the competition shall be within the syllable for SS2 class.**
- The questions for the Elimination stage shall be **FIFTY (50)** multiple choice questions, while the Championship stage shall comprise of both **subjective** (workings shown) and **objective** (Multiple Choice) questions. **ONLY WAEC authorized CALCULATORS** shall be allowed in the competition.
- The questions shall be set and marked by independent WAEC certified mathematics teachers of repute. A copy of the marking guide **MUST** be submitted to the organiser by the independent assessors' at the end of each examination day.
- The Committee has the reserved right to choose the cut off mark (**based on overall performance of candidates**) that would qualify candidates to move to the Championship stage of the competition. However, on **NO** circumstance should the Cut off mark be lower than **40 marks**.
- The maximum time for every examination shall be **THREE (3) hours** and all examinations commence by **10am prompt unless otherwise announced**. No participant would be admitted into the hall after **30 minutes** of commencement of examination.

PRIZES AND AWARDS:

Note: All items are customized for the 2025 edition of the competition.

Prizes and awards shall be given as follows:

- **Overall Best Winner** shall receive a plaque, a gold plated medal and instant cash reward of **₦200,000** (Two Hundred Thousand Naira) only during the Award Ceremony.
- **First Runner-Up** shall receive a plaque, a silver plated medal and cash reward of **₦150,000** (One Hundred and Fifty Thousand Naira) only

- There shall be consolation prizes/rewards of cash **₦20,000** (Twenty Thousand Naira) only for at least the next **TEN (10)** runners up.
- **2026 WAEC OFFICIAL REGISTRATION FEE** for the Top Thirteen (13) participants by our Foundation.
- **A cash reward of ₦ 50, 000 each plus a certification of participation to the FIRST TOP THREE (3) SUCCESSION schools**
- There shall be appreciation in the form of cash token (**₦20,000 each**) for the Mathematics teachers of the **3 top winners and 10,000 each for the Mathematics teachers of the consolation winners.**
- In a case of joint winners, the Organiser shall call for either a “**Tie Breaker Assessment** or a **Re-assessment of examination scripts** submitted by the students.
- *All winners shall be issued certificates by the Foundation. (A minimum total of 13 certificates for the students)*

This 5th Edition (AMSSSMC 2025) of the series has also been structured to hold in **THREE (3) stages** as below:

THE ELIMINATION STAGE:

This 5th edition elimination examination would be held in **SIX (6) centres** across Mbaise and any other centre/s that may emerge outside Mbaise and Imo State as the need arise. Proximity of examination centres to schools would encourage more students and schools to enroll and participate in the competition.

- The elimination examination has been slated to hold simultaneously across the **SIX (6) centres in Mbaise and any other centre/s that may emerge outside Mbaise on Saturday, 12th July, 2025.**

The centres within Mbaise are as follows:

- **ABOH Mbaise Zone:**
 - Mbaise Secondary School, Aboh.
 - Mother Mary Coleman Memorial Girls’ Secondary School, Ogor Nguru
 - **AHIAZU Mbaise Zone:**
 - Pater Noster Secondary School, Ekwereazu.
 - St. Patrick Secondary School, Ogbe, Ahiara.
 - **EZINIHITE Mbaise Zone:**
 - Okpofe Secondary School
 - Mbaise Girls’ Secondary School.
- OWERRI Town:**
- Emmanuel College Owerri

THE CHAMPIONSHIP STAGE:

This stage designed to select the winners has been scheduled to hold on **Saturday, 13th October, 2024** at **Mother Mary Coleman Girls Secondary School Ogor Nguru, Aboh Mbaise, Imo State.**

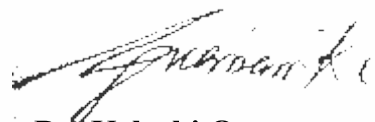

THE AWARDS AND CEREMONIES:

This grand finale (Awards and Ceremonies) of this edition has been scheduled to hold on the **23rd December, 2025 @** a venue to be communicated later.
